

IAU SPRING TROUBADOUR #4

Chers Etudiants et chers Collègues,
Comme vous le savez, l'attaque d'hier à Marseille nous a tous inquiété sur l'état de votre sécurité. En effet certains d'entre vous se trouvaient sur place. Heureusement, personne de la communauté IAU n'a été touché. Still, it is important to respond to any calls for safety check-ins. Fortunately, all of us are safe, and the incident was quickly neutralized, surely not the last of one of these episodes in which a lone assailant undertakes such a desperate attack. Furthermore, given the latest reports of over 50 dead at a mass shooting in Las Vegas, we'll clearly have to take a good hard look at what being "safe" actually entails. We invite all of you in the IAU community to consider these victims in your thoughts and in your prayers.
Bien à vous,
Leigh Smith
Dean

This week's "What the?"

Have you drunk coffee/tea from a cereal bowl?
Had to keep your eyes on the ground to avoid dog poo?
Had to have a separate pocket for your castle-door keys?
Each week, students can submit their own WTF observation for this newsletter. Submit to kristina.dinardi@iau.edu for next week's first edition.
