

SPANISH CULTURE & SOCIETY

SEVILLE • GRANADA • CÓRDOBA

overview

The Spanish Culture and Society January Term Seminar in Seville, Granada and Córdoba is hosted by the International College of Seville (ICS) and is designed for students wishing to deepen their understanding and appreciation of Spain. Over two weeks, students will live with local Spanish hosts in Seville, participate in field studies throughout southern Spain, enroll in courses focused on Spanish culture and society, and participate in cultural activities such as flamenco shows, cooking classes, city walking tours, boat cruises, tapas tastings, and even a special New Years Eve dinner. Faculty members, as well as local guides and specialists, will deepen students' understanding of the people, customs, and culture of Spain in a hands-on, experiential learning environment.
