THE IAU COLLEGE TROUBADOUR #2

June 15, 2015

Chers Étudiants,

Nous étions tous déçus de notre premier week-end de l’été. Ce n’est pas ça la Provence ! Surely many of you came to Provence expecting light and color and in your first weekend here all gray with thunder and lightning. Well, we spoke with the Mayor this morning to make sure this won't happen again for the next few weeks. So, as you can see by the schedule below, we are going to start again. La Ciotat was a wash for this past Friday, but we'll make it up at the end of this week with a guarantee from the Mayor and meteofrance (http://www.meteofrance.com/previsions-meteo-france/la-ciotat/13600) that will have perfect outdoor weather and a chance to appreciate the distinct advantages of living in this region. For now, have a great week.

Bien à vous tous,

Leigh Smith
Dean of IAU College

REMINDER- SAFE TRAVELS
Many of you are organizing your own travels around Europe. To ensure your safety, for any trips, individuals or groups traveling together are required to complete the SIMPLE TRAVEL FORM. These can be found at reception to Manning Hall.
