October 12, 2015

Chers Etudiants,

Vous avez la chance d'être en France pendant la semaine du goût, qui commence demain. Selon le Ministère de l'Education Nationale, « La Semaine du Goût fédère des initiatives locales, régionales et nationales autour de l'éducation au goût, du patrimoine culinaire et des métiers de bouche » (<http://www.education.gouv.fr/cid58143/la-semaine-du-gout.html>). If there is anything that I have profited most from in my 15 years living in France, it is the appreciation of the French culinary heritage. We all hope that in returning home after your time in France, this will be something you take with you, that stays with you. If there is any such thing as a "Moveable Feast" it is certainly the appreciation and the integration of French cooking. Tomorrow (Tuesday), in Manning Hall, this appreciation will be on display.

Have a great week,

Leigh Smith

Dean of Students
