

THE IAU COLLEGE TROUBADOUR #9

THIS WEEK:

IAU LECTURES

THANKSGIVING

November 9, 2015

Chers Etudiants,

Savez-vous pourquoi il y a le tricolore partout dans la ville d'Aix ? Were you wondering why all the sudden this show of patriotism throughout the streets with all the flags? The Armistice was signed on November 11, 1918, signaling the end of combat after over four years in which Europe was plunged into World War I. Later, in 1919, the Treaty of Versailles was signed, formally announcing peace over the European continent. This coming Wednesday, November 11 will celebrate that historic agreement undertaken in a train car in the forest of Compiègne. You may very well see commemorations of the event in Aix. You may also notice that IAU recognizes this holiday and that there will be no classes and facilities will be closed.

Passez une excellente semaine,

Leigh Smith
