

## IAU SUMMER TROUBADOUR #2

"Violence is the last refuge of the incompetent."  
Isaac Asimov, Foundation

Chers Etudiants,

Ce week-end dernier la violence a dominé les infos. Nous avons tous été choqués par la violence autour du match de foot à Marseille, mais encore plus choqués par les événements à Orlando. Il ne faut pas vivre dans la peur, mais il faut quand même rester vigilant. Many of you may have already visited Marseille and many of you have surely been to Orlando without the concern or fear of violence. We're in no position to advise any of you on places to avoid in Orlando, but for Marseille, it is unfortunate to see violence erupting around a sporting event. Best to avoid the area in the evenings for a few days until things calm down. Marseille is still a great place to visit but restrict your visits to daytime hours for the moment.

We have just a couple of events this week and hope to see you there. Otherwise, have a great week.

Bien à vous,  
Leigh Smith  
Dean
