

IAU SUMMER TROUBADOUR #5

"The greatness of America lies not in being more enlightened than any other nation, but rather in her ability to repair her faults."
Alexis de Tocqueville (1805-1859)

Chers Etudiants,

Apparemment, le mois de juillet a beaucoup d'importance pour les français comme pour les américains. Pour les américains d'IAU, nous vous souhaitons une bonne fête d'Independence. Bientôt (dans 10 jours) en France on va également fêter les premiers pas de la République. You may have also noted quite a few French flags waving these days. This is not necessarily in preparation for Bastille day. Nothing gets the French more patriotic than a good win for les bleus in a soccer match, and any tricolors you see waving are as much for Sunday's victory as for the national holiday. Enjoy and ...

Passez une excellente semaine,
