**June 16, 2014**

**Chers Etudiants,**

On espère, pour la santé et le moral de tous, que la canicule de la semaine dernière est terminée. Let's hope that we don't melt from the heat this week and that the Provençal sun has decided to show a little mercy. It was a pleasure to see everyone together for the exploration of the Luberon region this past Friday. We'll look forward to the next one. This coming week ends our session B afternoon classes, and to all those taking an exam on Friday we wish you good luck.

Bien à vous tous,

**Leigh Smith  
Dean of the College**
