

IAU FALL TROUBADOUR 7

« Le véritable voyage de découverte ne consiste pas à chercher de nouveaux paysages, mais à voir avec de nouveaux yeux. »
"The real voyage of discovery consists not in seeking new landscapes, but in seeing with new eyes."
Marcel Proust, *A la recherche du temps perdu* (1918)

Chers Etudiants,

Espérons que cette semaine d'examens se passe au mieux et vous aide à voir le monde "avec de nouveaux yeux". Bientôt une semaine de pause et l'opportunité de voyager, l'opportunité d'ouvrir de nouvelles perspectives. Restez sains et saufs. Ayez l'esprit, les oreilles, les yeux ouverts et prêts à la réflexion et à la compréhension. Though we're all pleased to see you off to discover new things, please try to absorb it all with an open mind and a reflection on your own preconceptions and how they relate to and connect with the unknown around you. That said, do keep us informed about where you are and the unknown around you! Let's presume we won't have to get in touch with you, but if we do, well... Other than that have an excellent week, and Bon voyage,
Leigh Smith
Dean of IAU College
