

IAU SPRING TROUBADOUR #13

Continuez, continuez, il n'y a pas pour les peuples d'Europe d'autre avenir que dans l'union.

There is no future for the people of Europe other than in union.

Jean Monnet

Chers Etudiants,

Comme la plupart d'entre vous l'avez sûrement constaté, la France a ressenti un grand soulagement hier suite aux résultats des élections présidentielles. Même si Macron a gagné avec un écart important, Le Pen a quand même réussi à obtenir presque 34% des voix. Ça représente un nombre élevé de français ouverts à ses idées. Même pendant le débat mercredi le 3 mai elle continuait à insister que la France n'était pas responsable des actes commis par le régime Vichy. 34% des électeurs l'ont soutenue même après de tels propos. However, with Macron's victory there has been a sigh of relief throughout Europe, another crisis narrowly averted. It's still not over. In June, France will hold its legislative elections. Most all of you will have left France by then, but Macron's success from yesterday will hang on the level of support he will or won't receive come June. So Europe and the future of the European project is not out of the woods yet. Still much remains to be seen. With all that in anticipation for next month, we wish you all the best of luck in these next few days. We look forward to gathering one last time to close out the semester in earnest during this Friday's closing ceremony. You'll see details below. For now, ...

Passez une excellente semaine pleine de réussites,

Leigh Smith
